filed on August 3, 2022; therefore, responses are currently due on August 17, 2022. No hearing has been set for this matter. This is the first request to extend these particular deadlines.

WHEREAS, on February 28, 2022, Mr. Armijo filed a Complaint in the above-entitled action (ECF No. 1), image later corrected on March 1, 2022 (ECF No. 6). On June 24, 2022, Mr. Armijo filed a First Amended Complaint (ECF No. 62);

WHEREAS, on July 29, 2022, OpenSea and Yuga Labs each filed motions to dismiss the First Amended Complaint (ECF Nos. 71, 72, 74, 75, 77) and related requests for judicial notice (ECF Nos. 73, 76);

WHEREAS, on August 3, 2022, OpenSea and Yuga Labs each filed Motion to Stay Discovery (ECF Nos. 78, 79, 80, 81, 82) requesting that the court stay discovery and related case deadlines based on their pending dispositive motions;

WHEREAS, lead counsel for Mr. Armijo will soon be transitioning to another law firm, and as a result, would like to provide Mr. Armijo with some time to consider options relating to counsel's transition before having to file responses to the pending motions;

WHEREAS, in light of the foregoing, Mr. Armijo requested a five (5) day extension of time for Mr. Armijo to respond to the pending Motions to Stay Discovery, or from August 17, 2022, to August 22, 2022. The Stipulating Defendants agreed to the short extension of time;

WHEREAS, Mr. Armijo is similarly agreeable to providing Stipulating Defendants additional time to file their reply briefs, such that replies would be due on or before September 2, 2022;

WHEREAS, this stipulation is entered into in good faith and is not filed for improper purposes. This is the first request to extend these particular deadlines and the short extensions will not unduly delay proceedings as the Scheduling Order (ECF No. 66) was only recently entered and the parties are working on preparing a joint case management report.

NOW THEREFORE, Mr. Armijo and the Stipulating Defendants, by and through their respective counsel, stipulate that good cause exists under Local Rule IA 6-1 to extend Mr. Armijo's deadline to respond to the Motions to Stay Discovery and Joinder by five (5) days, or to August 22, 2022, and that Stipulating Defendants shall have until September 2, 2022, to file their reply briefs.
